CURRICULUM VITAE

Brian Lutz

EDUCATION

COMPUTER SCIENCE ENGINEERING, B.S.E.

📅 Graduation Fall 2017

🏢 The Ohio State University

I currently study Computer Science & Engineering at The Ohio State University.

DIPLOMA

📅 August 2013 - December 2014

🏢 Kent State University

I previously studied Computer Science at Kent State University. I took courses focusing on software development as well as pre-requisites for graduation, finishing with a 3.6 GPA.

DIPLOMA

📅 August 2009 - May 2013

🏢 Chagrin Falls High School

Chagrin Falls High School takes great pride in its rigorous AP cirriculum, one of the finest in the state of Ohio, of which I became intimately affiliated while enrolled during my teenage years.

WORK

JUNIOR DEVELOPER

📅 April 2012 - March 2013

🏢 Vertical-Knowledge

At Vertical-Knowledge, I designed and implemented web spiders to parse web pages for content, ran database queries to check the correctness of the content I collected, and performed quality analysis on other projects.

EXTRA CARRICULAR

SPONSORSHIP CHAIRMAN

📅 January 2015 - Current

🏢 Buckeye Hackers

Buckeye Hackers started to create tech culture at Ohio State. We manage, promote, and facilitate Ohio State's annual hackathon, OHI/O.
